

FACULTY OF TELECOMMUNICATIONS AND MANAGEMENT

Dear Students, Dear Partners,

This is a list of courses from the curricula in the Faculty of Telecommunications and Management at the University of Telecommunications and Posts, from which students can select courses offered in English for academic year 2019/2020!

When you prepare your learning agreement and you are not sure if it is ok you can send it to the following e-mail: UTPErasmus@gmail.com to check it before you get all the signatures.

Bachelor's Degree Program

Name of the subject	Credits	Semester	Taught in
Programming	5	Winter	English
Mathematics 2	7.5	Summer	English
Materials and Electronic Components	5	Summer	English
Computer Architecture	5	Summer	English
Economics	5	Summer	English
Marketing	5	Summer	English
Signals and Systems	6	Winter	English
Computer Designing	4	Summer	English
Telecommunication Basics	5	Winter	English
WLAN Protection	5	Winter	English
5g mobile Networks	5	Summer	English
Networks for Mobile Communications	6	Winter	English
Security Systems	5	Winter	English
Alarm and Safety Systems	5	Winter	English
CCTV Systems	5	Summer	English
Multimedia technologies	5	Winter	English
Introduction to Wireless Communications	6	Winter	English
Digital Signal Processing	6	Summer	English

Optical and Cable Systems	6	Summer	English
Digital Television	6	Winter	English
Specialized Microprocessor Systems	6	Winter	English
Video Technologies	4	Summer	English
Satellite and Mobile Communications	4	Summer	English
Engineering Mathematics	5	Winter	English
Introduction to programming	4	Winter	English
Computer networks and protocols 1	5	Summer	English
Computer networks and protocols 2	5	Winter	English
Database Systems	4	Winter	English
Management of OS Linux	4	Summer	English
Management of OS Windows	4	Summer	English
Cloud Technologies	6	Winter	English
Introduction to Computer Graphics	4	Winter	English
Network Programming	4.5	Summer	English
Presentation and Communication Skills	6	Summer	English
Operating Systems	6	Winter	English
Telecommunication Protocols	4.5	Winter	English
Sensors and Sensor Networks	6	Winter	English
Multimedia Technologies	4	Summer	English
Sensors	4	Summer	English
Wireless Transmission Systems	6	Winter	English

Master's Degree Program

Name of the subject	Credits	Semester	Taught in
Programming using Java	6	Winter	English
Network infrastructure	6	Winter	English
Modeling and Simulation of Computer Networks	6	Summer	English
Internet of Things	4	Summer	English

Broadband and Optical Networks	6	Winter	English
Internet Communications	6	Summer	English
Wireless networks	6	Winter	English
Digital Audio Broadcasting	4.5	Winter	English
Microeconomics	6	Winter	English
Entrepreneurship and Small Business	6	Winter	English
Business Leadership	6	Summer	English
Business Analyzes	3	Winter	English
