

Company Overview

RokkerX provides a range of managed services via high performing in-country teams to augment existing operations for international iGaming, technology and finance businesses.

RokkerX are celebrating the launch of their Sofia hub by inviting local sportsfans to apply to join their Sportsbook and iGaming services team across a number of customer service, risk and technical roles.

RokkerX is a subsidiary of business design consultancy Rokker who've worked extensively on the corporate DNA.

"This is an exciting time for the business! We're building a dynamic Sportsbook Trading Operation team in Sofia for some fantastic iGaming clients with top-class products. Currently we're looking to on-board 45 teammates to our Bulgarian hub in Q2 with that number is set to double in the second half of 2023!" Jim Marshall, Head of People Consulting, Rokker.

RokkerX teammates enjoy great benefits such as travel passes, meal vouchers, gym memberships, healthcare and free sports subscriptions.

"RokkerX is all about creating opportunity. Building talented teams for a progressive, vibrant and fun industry. We're proud to be empowering a global community of people and businesses to realise their potential." Andy Rogers CEO of Rokker.
